Leo P. Carlin, Mayor  
City Hall  
Newark 2, New Jersey

Dear Mayor Carlin:

A fourteen block area in the Clinton Hill section of Newark has, as you know, been designated as an Urban Renewal site under section 220 of the Federal Housing Act of 1949 (as amended 1956). Our Neighborhood Council is rightfully proud of having been selected by your Commission on Neighborhood Conservation and Rehabilitation, through the Associated Community Councils of Newark, as the liaison group in the community to build public support and enthusiasm for this project;

Your public officials have been helpful in giving of their time and energy to meet with us and explain the implications of Urban Renewal for Clinton Hill and for the entire city. For this we are most appreciative.

Our Executive Board, which met Thursday, January 24, at the home of Dr. Alfred E. Finn, 838 South 18th Street, has expressed a desire to meet next with you, Mr. Mayor, in a mutual exchange of ideas on the needs of the Urban Renewal site, and the plans of your Administration for implementing 220. For this purpose a six-person committee has been designated to act as spokesman for our Council.

This committee would be pleased to meet with you at your convenience, whether at City Hall during the day after 4PM or in a private home in Clinton Hill during the evening. If possible, we should like the date to be in the second or third week of February. We are looking forward to this meeting and again wish to express our thanks for the help given by the responsible officials and for your own interest in this important matter.

Sincerely yours,

STANLEY B. WINTERS  
Chairman
